GEARS (Greater Eugene Area Riders) invite you to join club members on the following rides. One of the purposes of this club is to foster bicycle riding. One way we do this is to provide a ride description and place of departure for “show and go” rides as well as leader led rides. The club has no responsibilities for these rides or their riders. Whether the ride has a leader or is a “show and go” ride always note the ride category, difficulty and miles to insure an enjoyable ride. It is important to know that only members of the club are covered by the club’s insurance policy.

All category riders are welcome on all rides and the group of riders will regroup at times, however slower riders can sometimes be riding behind others. Bring a friend that rides at your pace. All riders should come and enjoy the fun of riding together and discovering our beautiful bicycling area.

Date	Time & Place	Ride	Route ****lon = Left on; ron = Right on; son = Straight on
